Re: Letter of Recommendation for Brown Development and Greg Brown

To Whom It May Concern:

I am very happy to write a letter in support of Greg Brown and the entire Brown Development team. Having vacationed in Maui for a number of years, I fell in love with the western part of the island, and Launiupoko community in particular. To this end, I have ultimately decided to build our dream vacation home in Launiupoko and worked with Greg and his team.

Being based in Europe, I have had a limited opportunity to be on the island during the construction. However, the Brown Development team took fantastic care of everything, was joy to work with, and was always approachable and available. They were also instrumental in realizing my vision as I have picked my own finishes and specifications.

The work turned out to be nothing short of spectacular with great attention to detail. The entire crew is very professional, and the managers are knowledgeable and approachable.

Despite on being on the island during the construction, Greg Brown made us feel at ease and always responded quickly to any queries.

Any warranty work, as minor as it was, was done speedily and to last.

I have aimed to create a unique contemporary style for our vacation home and the Brown Development team delivered exactly what I aimed for, even without me being on the island.

I would highly recommend Brown Development to my family and friends, and am looking forward to working with Greg and his team on the future projects.

Please do not hesitate to contact me for further references.

Sincerely,
